The First Church

Is open daily throughout the
year, from nine in the morn-
ing until five in the evening,
for the use of those who
may care to visit it for pur-
poses of private devotion. . .

Come in, and rest, and pray!

Foreword by the Pastor.

In an effort to sum up what has been accomplished during this past year the heart is filled with feelings of profound thankfulness. There has been a notable improvement along many lines. First of all our congregations have increased and this is particularly true of the afternoon service. Two hundred and fifty probably represents the average number and this is a vast improvement over anything we were able to attain when the service was held in the evening. The result seems to have justified the wisdom of the Session authorizing the change. Again the special services held during the week immediately preceding Easter were unusually well attended and brought a blessing and an inspiration to many of our members. The new system of collecting money for benevolent purposes has had its trial and has been shown to be an unqualified success. Our contributions as a whole have increased very nearly four hundred per cent. What this has meant to us may be seen from the fact that while a year ago we gave

to the Board of Ministerial Relief \$60.00, this last year we were enabled to increase our gifts to \$600.00. We hope the time may come—it is the ideal at which we aim—when every member of the First Church will have a part in this method of giving to the Lord; that is, regularly and systematically, by means of the weekly envelopes.

Thanks to the careful and conscientious labours of the Trustees the whole Church has been redecorated and repaired at an expense of something over \$9,000.00. It would be today what it was when first erected, an ornament to any city in the land.

The Sunday School has been carried on in the face of very great difficulties—the chief one being the lack of teachers—and I desire to express my feeling of personal gratitude to Mr. E. Ralph Yarnelle, the retiring Superintendent, for his faithfulness and the results achieved.

All the organizations among the women of the Church are well supported and have proven this year, as in the past, a great power for good and most efficient in the accomplishment of the Lord's Work.

The Men's Club has greatly increased its service, has rendered valuable assistance along

many lines, and 'gives promise of still greater usefulness in the future.

The Prayer Meeting is perhaps the weak spot in our work and the Pastor begs most earnestly that the people will lay this Meeting upon their hearts and consciences and support it more faithfully and loyally.

In conclusion it is worthy of mention with deep gratitude that during the past year, sixty-three were added to our membership, twenty-five upon Confession of their Faith, and thirty-eight by Letter of Dismission. "Not unto us, oh Lord, not unto us, but unto Thy Name, give the glory."

HENRY B. MASTER, Pastor.

What We Believe.

A Brief Statement of the Reformed Faith. As Defined by the General Assembly of the Presbyterian Church and Adopted in May, 1902.

ARTICLE I. OF GOD.

We believe in the everliving God, who is a Spirit and the Father of our spirit; infinite, eternal, and unchangeable in His being and perfections; the Lord Almighty, most just in all his ways, most glorious in holiness, unsearchable in wisdom and plenteous in mercy, full of love and compassion, and abundant in goodness and truth. We worship Him, Father, Son and Holy Spirit, three persons in one God-head, one in substance and equal in power and glory.

ARTICLE II. OF REVELATION.

We believe that God is revealed in nature, in history, and in the heart of man; that He has made gracious and clearer revelations of Himself to men of God who spoke as they were moved by the Holy Spirit; and that Jesus Christ, the Word made flesh, is the brightness of the Father's glory and the express image of His person.

We gratefully receive the Holy Scriptures, given by inspiration to be the faithful record of God's gracious revelations and the sure witness to Christ, as the Word of God, the only infallible rule of faith and life.

ARTICLE III. OF THE ETERNAL PURPOSE.

We believe that the eternal, wise, holy and loving purpose of God embraces all events, so that while the freedom of man is not taken away, nor is God the author of sin, yet in His providence He makes all things work together in the fulfillment of His sovereign design and the manifestation of His glory; wherefore, humbly acknowledging the mystery of this truth, we trust in His protecting care and set our hearts to do His will.

ARTICLE IV. OF THE CREATION.

We believe that God is the Creator, upholder, and governor of all things; that He is above all His works and in them all; and that He made man in His own image, meet for fellowship with Him, free and able to choose between good and evil, and forever responsible to his Maker and Lord.

ARTICLE V. OF THE SIN OF MAN.

We believe that our first parents, being tempted, chose evil, and so fell away from God and came under the power of sin, the penalty of which is eternal death; and we confess that by reason of this disobedience, we and all men are born with a sinful nature, that we have broken God's law and that no man can be saved but by His grace.

ARTICLE VI. OF THE GRACE OF GOD.

We believe that God out of His great love for the world, has given His only begotten Son to be the Saviour of sinners and in the Gospel freely offers His all-suffic-

ient salvation to all men. And we praise Him for the unspeakable grace wherein He has provided a way of eternal life for all mankind.

ARTICLE VII. OF ELECTION.

We believe that God, from the beginning, in His own good pleasure, gave to His Son a people, an innumerable multitude, chosen in Christ unto holiness, service, and salvation; we believe that all who come to years of discretion can receive this salvation only through faith and repentance; and we believe that all who die in infancy, and all others given by the Father to the Son who are beyond the reach of the outward means of grace, are regenerated and saved by Christ through the Spirit, who works when and where and how He pleases.

ARTICLE VIII. OF THE LORD JESUS CHRIST.

We believe in and confess the Lord Jesus Christ, the only Mediator between God and man, who being the Eternal Son of God, for us men and for our salvation became truly man, being conceived by the Holy Ghost, and born of the Virgin Mary, without sin; unto us He has revealed the Father, by his Word and Spirit making known the perfect will of God; for us he fulfilled all righteousness and satisfied eternal justice, offering Himself a perfect sacrifice upon the cross to take away the sin of the world; for us He rose from the dead and ascended into Heaven, where He ever intercedes for us; in our hearts, joined to Him by faith, He abides forever as the indwelling Christ; over us and over all for us, He rules; wherefore, unto Him we render love, obedience, and adoration as our Prophet, Priest and King forever.

ARTICLE IX. OF FAITH AND REPENTANCE.

We believe that God pardons our sins and accepts us as righteous solely on the ground of the perfect obedience and sacrifice of Christ received by faith alone, and that this saving faith is always accompanied by repentance, wherein we confess and forsake our sins with full purpose of, and endeavor after, a new obedience to God.

ARTICLE X. OF THE HOLY SPIRIT.

We believe in the Holy Spirit, the Lord and Giver of Life, who moves everywhere upon the hearts of men, to restrain them from evil and to incite them unto good, and whom the Father is ever willing to give unto all who ask Him. We believe that He has spoken by Holy men of God in making known His truth to men for their salvation; that, through our exalted Saviour, He was sent forth in power to convict the world of sin, to enlighten men's minds in the knowledge of Christ and to persuade and enable them to obey the call of the Gospel; and that He abides with the Church, dwelling in every believer as the spirit of truth, of holiness, and of comfort.

ARTICLE XI. OF THE NEW BIRTH AND THE NEW LIFE.

We believe that the Holy Spirit only is the author and source of the new birth; we rejoice in this new life, wherein He is given unto us as the seal of sonship in Christ, and keeps loving fellowship with us, helps us in our infirmities, purges us from our faults, and ever continues His transforming work in us until we are perfected in the likeness of Christ, in the glory of the life to come.

ARTICLE XII. OF THE RESURRECTION AND THE LIFE
TO COME.

We believe that in the life to come the spirits of the just, at death made free from sin, enjoy immediate communion with God and the vision of His glory; and we confidently look for the general resurrection in the last day, when the bodies of those who sleep in Christ shall be fashioned in the likeness of the glorious body of their Lord, with whom they shall live and reign forever.

ARTICLE XIII. OF THE LAW OF GOD.

We believe that the law of God revealed in the Ten Commandments, and more clearly disclosed in the words of Christ, is forever established in truth and equity, so that no human work shall abide except it be built on this foundation. We believe that God requires of every man to do justly, to love mercy, and to walk humbly with his God; and that only through this harmony with the will of God shall be fulfilled that brotherhood of man wherein the kingdom of God is to be made manifest.

ARTICLE XIV. OF THE CHURCH AND SACRAMENTS.

We believe in the Holy Catholic Church, of which Christ is the only Head. We believe that the Church Invisible consists of all the redeemed, and that the Church Visible embraces all who profess the true religion, together with their children. We receive to our communion all who confess and obey Christ as their divine Lord and Saviour, and we hold fellowship with all believers in Him.

We receive the sacraments of Baptism and the Lord's Supper, alone divinely established and committed to the Church, together with the Word, as means of grace, made effectual only by the Holy Spirit, and always to be used by Christians with prayer and praise to God.

ARTICLE XV. OF THE LAST JUDGMENT.

We believe that the Lord Jesus Christ will come again in glorious majesty to judge the world and to make a final separation between the righteous and the wicked. The wicked shall receive the eternal award of their sins, and the Lord will manifest the glory of His mercy in the salvation of His people and their entrance upon the full enjoyment of eternal life.

ARTICLE XVI. OF CHRISTIAN SERVICE AND THE
FINAL TRIUMPH.

We believe that it is our duty, as servants and friends of Christ, to do good unto all men, to maintain the public and private worship of God, to hallow the Lord's Day, to preserve the sanctity of the family, to uphold the just authority of the State, and so to live in all honesty, purity and charity, that our lives shall testify of Christ. We joyfully receive the word of Christ, bidding His people go into all the world and make disciples of all nations, and declare unto them that God was in Christ, reconciling the world unto Himself, and that He will have all men to be saved and to come to a knowledge of the truth. We confidently trust that by His power and grace, all His enemies and ours shall be finally overcome, and the kingdoms of this world shall be made the kingdom of our God and of His Christ. In this faith we abide; in this service we labor; and in this hope we pray.

Even so, come, Lord Jesus.

Report of the Young Ladies' Society

For the Year Ending April 1st, 1907.

In the year 1895, Mrs. Minnie Hoffman Atterbury with the help of Miss Jessie Hamilton. organized the Young Ladies' Society of the First Presbyterian Church. Since that time the Society has grown steadily in numbers until at the present the enrollment is almost one hundred. Every young woman in the congregation may become a member of the Society, and all of them are cordially invited to attend the meetings of the Society. A small fee of twenty-five (25) cents per year covers the cost of membership. The proceeds from the sale and supper given last December, enabled the Society to double its pledge toward Miss Beaber's salary; to enlarge its gift to the Visiting Nurse League; and to adopt a new work, that of furnishing and maintaining a room in Hope Hospital.

In March the Society had the pleasure of listening to Miss Grace Glenn, who presented and explained the work of the Westminster Guild, to this Society. Miss Glenn awakened the interest of everyone who heard her and all our members are anxious to take up this new work during the coming year.

Report of the Board of Trustees

For the Year ending April 1st, 1907.

At the beginning of the past year, the Church property was in such condition that it required immediate attention for the preservation of the building ; and never since its erection has the building had a more thorough cleaning, and a more complete renovation than during the past season.

The first intentions were to make necessary repairs only—those that the Church revenues would permit from year to year—but after giving the subject careful thought and thorough consideration, the Trustees and members of the Session decided that the building should be completely renovated and repaired ; and to accomplish this, it was necessary on the part of the Trustees, with the sanction of the Session, to issue bonds for the amount of \$8,000, maturing in ten years, with a subsequent loan of \$1,000, maturing in two years.

After the expiration of two years, such number of bonds may be redeemed on call as our finances will permit. And it is the intention of

the Trustees that this entire indebtedness shall be cancelled, or paid out of revenue of the Church as now derived from pew rentals. The Trustees justly feel very elated and grateful for all that has been accomplished, and in presenting our annual report we do so knowing that although some of the items seem large, they all have had our best consideration and judgment.

E. H. McDONALD.

J. H. ORR.

Report of the Clerk of Session

For Year Ending April 1st, 1907.

This year has been one of activity on the part of the Session. Sixteen meetings have been held in addition to a number of informal conferences.

The Session Prayer Meeting lasting from three to five minutes just before the Sunday morning service, inaugurated soon after Mr. Master's coming among us, has been regularly observed and quite well attended. It would be highly gratifying if every member of the Session could find it convenient to attend these meetings regularly and promptly, since they are helpful to both Pastor and Elders.

The benevolences, as shown by the report of the Sessional Treasurer, are a barometer that shows an excellent spiritual condition. During the year the Session authorized the contribution of \$600.00 from the Benevolence Fund, and also enough more, added to the contribution of the Sunday School, to make another \$600.00 for the support of the Chieng Mai Mission in Siam, and the Hunan Mission in China. It is hoped that occasional reports from both of these Missions may be received during the coming year.

To effectuate the above result, the Benevolence Committee of the Session recommended, and the recommendation was adopted by the Session, that all the contributions of the Sunday School be appropriated to the support of one of the above Missions, the Session to make up any deficiency out of the Benevolence Fund.

The Session, as shown by the above action, has continued to keep oversight of the Sunday School and recommended the Trustees of the Church to assume the payment of all the expenses of the School. These are not large and the Trustees acquiesced in the arrangement, which avoids the necessity of frequent appeals to the Congregation for contributions for this purpose.

The Session would urge Church members to a more hearty cooperation with the Sunday School officers. The unfortunate closing of the Church and Sunday School for repairs during last summer, had a baneful influence on the attendance of the latter. It has been difficult to bring the attendance up to where it was before. The parents in the Church would confer a favor upon the Sunday School officers and teachers if they would frequently come and learn something more of that important branch of Church work. The installation of the Blakeslee System of lesson quarterlies has been very helpful, and we are quite confident that the diligent pursuit of the

studies afforded by these will be helpful in an extraordinary way to everyone who uses them.

During the year twenty-five persons have appeared before the Session and made confession of their faith and were received into Church membership. Also, thirty-eight were received on certificates from other churches.

The Session has also, during the year, purged the roll of the Church. Eight were dropped from the roll. These were not chargeable with any immoral conduct, but they had renounced the communion of the Church by joining other denominations without a regular dismissal. Forty-seven were placed on the suspended list. These were not chargeable with any immoral conduct, but had removed out of the bounds of the Church without asking for or receiving a letter of dismissal and their present places of residence were unknown and the Session had no knowledge of them for three years.

The repairs of the Church undertaken by the Trustees with the approval of the Session, have all been completed to the satisfaction of everyone and it is earnestly hoped that the cost may be paid out of the revenues of the Church without asking anyone for a subscription.

Two things in Church life show more clearly than anything else the spiritual condition of the Church members—one the benevolence, already

spoken of, and the other the Prayer Meeting. The attendance at the latter is not what it should be. It is of course easy to understand the temptation that confronts everyone to omit the Prayer Meeting, especially if the weather is slightly inclement or other engagements conflict. Members of the Church, however, should remember their vows on entering the Church, one of which was to attend the regular services of the Church. The Session urges the members to a more faithful observance of these most important meetings.

CHARLES H. WORDEN,
Clerk of Session.

Report of the Board of Deacons.

For the Year Ending April 1st 1907.

The Board of Deacons have this year confined themselves wholly to the relief of our Church poor and the funds received have been ample for all purposes. There were no special calls for large amounts and all beneficiaries were put on regular monthly allowances proportioned to their needs, so that the exact amount required was known at the first of the year and no difficulty was experienced in collecting it.

The Board received during the year from collections, special donations and so forth \$271.95. Of this amount the following was disbursed:

For Room rent.....	\$ 36 00
For Groceries.....	5 05
For Medical Service.....	5 00
For Moving Expenes.....	9 00
For Coal and Wood.....	7 25
For Regular monthly allowances paid in money..	185 50
Balance on Hand.....	\$ 24 15
	<hr/>
	\$271 95

In addition to the above receipts and disbursements the Board received from Ladies' Committee all of the coal and wood donated in the Christmas Manger. This fuel has been distributed among those who needed it, and there are ten loads of stove wood left in its possession.

The Board of Deacons desires to thank the members of this congregation for the response made to their appeal last year and earnestly hopes they may have a still larger fund to distribute during the next twelve months.

EDWARD R. YARNELLE,
Treasurer.

First Church Sunday School

Report of the Retiring Superintendent.

The past year in our Sunday School has been productive of very little improvement, and although a great deal of effort has been spent we seem to have been lifting at dead weights and accomplishing very little. Too much credit cannot be given to Mrs. Willey, our School Missionary, for her earnest and unselfish work in gathering the absent scholars and in adding a large number of new ones to our roll. Mrs. Willey is admirably qualified for this work and we hope we may have the benefit of her services for the coming year.

Our great weakness lies in the scarcity of teachers and for the relief of this we entreat the co-operation of every member of the First Church for we may well despair of having a successful school until our force is full to overflowing and our Church Members begin to take a lively interest in its welfare.

During the last year we have divided the Sunday School into four departments: The Prim-

ary, the Junior, the Intermediate and the Progressive. We have divided the scholars into seven grades according to ages and have adopted a regular system of promotion and graduation which seems to increase the interest in the lessons and produces an amount of home study greatly in excess of our expectations.

We have discarded the Westminster Quarterlies and are commencing a study of the whole Bible, running through a term of seven years known as the Blakeslee System. After careful investigation this seems to be the most thorough of all the courses and as far as we have gone it is very satisfactory.

The new Book of Songs with which we began our last year's work is all we hoped for and we have no reason to regret the change.

In the Progressive Department Mr. Page has charge of the adult Bible class and our people should take advantage of this exceptional opportunity to renew their acquaintance with Bible History under his able leadership. Mr. Worden has organized and maintained a splendid and growing class of young men in this department, and we must congratulate ourselves on having for this peculiarly difficult task a man of Mr. Worden's ability and consecration.

In the Intermediate Department Mrs. Williams has retained her class and is doing splendid work.

Miss Olds has a large class of young ladies whose record of attendance and general interest in the school cannot be too highly commended. The teachers who will take the other classes in this department next year are Mrs. McCaskey, Miss Margaret Macphail, Miss Parker, Miss Katharine Hamilton, Miss Tower and Miss Ignota White, from whom we have reason to expect great things.

The Junior Department is composed of classes taught by Mrs. Willey, Mrs. Straughn, Miss Helen Jackson and Miss Elizabeth Evans. In this department the classes are small and offer a fine field for those who would like to engage in Sunday School, work, as here are the foundations of the child's religious training, and lessons taught here with thoroughness are rarely effaced in after years.

Our Primary Department during the absence of Miss Katherine Hoffman has been under the direction of Miss Mary E. McDonald. The new course of lessons includes a kindergarten method of teaching by coloring cards, reading and reciting the stories which please the children and impress them with the facts to a marked degree. Miss McDonald has for her assistants Miss Harriet Fowler, Mrs. Elizabeth Peters, Miss Jessamine Sale.

During the year which has just closed we have a new method of conducting the review lessons which came at the end of each quarter. The room was darkened during the hour, fifty pictures illustrating the lessons of the quarter were thrown on a large screen by the stereoptican, accompanied by readings from the Bible. This was a very pleasant and instructive way of bringing the chief points of the quarter's lessons to our mind.

Our most beautiful service was that which we held in connection with the afternoon church service on the Sunday afternoon before Christmas. This consisted of a series of beautiful pictures by the great masters relating to the birth and childhood of Christ, accompanied by appropriate readings from the New Testament by the Pastor and by the choir. A manger had been erected at the front of the church and the whole School marched by depositing gifts and singing.

We have arranged that this service shall be repeated each year in the same manner.

A Committee consisting of Mrs. McCaskey, Mrs. Willey, Mrs. George Evans and Mrs. S. M. Foster, distributed the gifts from this manger and it was found to contain four hundred and sixteen packages, besides orders for coal and wood, in abundance. These articles were given

to our own poor children first and then to the Orphans' Homes Mission Houses, and Salvation Army.

For next year we have nothing but the highest hopes. Our School is well organized and we only need a Superintendent of ability and enthusiasm to make it go.

In Mr. A. H. Perfect, we have all that and more and with the aid of our other officers, Mr. Bruce Elliott, Mr. Nichols, etc., he will make the Sunday School of the First Church one that can take its place among the best in the land.

E. RALPH YARNELLE,

Retiring Superintendent.

Report of the Woman's Missionary Society

For the Year Ending March 15th, 1907.

The Woman's Missionary Society of the First Church is organized for both Home and Foreign Missionary work.

Every woman who is a member of the Church is, by virtue of that fact, a member of this organization and is so regarded by the Society, hence membership is not solicited.

The regular meetings are held on the second Friday of each month at 3:00 P. M., in the Bible Class Room. All women who are members of the congregation are cordially invited to attend. At the close of the devotional exercises and after the necessary business has been transacted, one-half of the time is devoted to the study of the Foreign field and the remainder to the consideration of Home Missions. The topics for discussion and the name of the leader of each meeting may be found in the Society's year book. The meetings are both interesting and instructive.

A Mission Study Class to which all women are welcome is held fortnightly at the home of its

members. Africa has been the subject for study during the past year and, with Miss Jessie Hamilton as leader, the meetings have been extremely interesting and helpful. The text book to be used next year is "Christus Redemptor,"—a study of the Islands of the Sea.

We esteem it a privilege and an honor to have in the foreign field, a representative from our own Church and a *special* privilege and honor to be represented through one who, by nature, experience and consecration is so eminently fitted for the work as our own Miss Lily Beaber. In the summer of 1899 she was commissioned by our Board of Foreign Missions, to take charge of the Girl's School at Tabriz, Persia. She went to her foreign work an experienced school teacher, experienced also in managing large affairs with small means and in attempting to lead young girls to Christ. She had served as President of the Young Woman's Christian Association and for ten years had been a most successful teacher in our public schools, especially excelling as an instructor in the Kindergarten department. Miss Beaber's executive, linguistic and mechanical ability have all been consecrated to the Master's service in far-away Persia, as have her many accomplishments and her capacity to perform an unusual amount of labor. Her piano and guitar playing have inspired the small

Kindergarten pupils to renewed effort when all else has failed. Her excellence as a needle-woman and her knowledge of painting brought to the sewing class (where the Bible is also taught) members of families that otherwise could not have been reached. She has wrought a noble work in arousing the Persian women from idleness—the bane of their lives; and by inspiring them to cleanliness, and truthfulness. Some idea of the ignorance of the people may be gained from the fact that there is not a single newspaper or printing press in Tabriz, though it has a population of about two hundred thousand; is the north-western capital and the home of the Crown Prince. Miss Beaber is intimately associated in her work with Dr. Mary Bradford through whom she has access to the homes of the nobility. The school has been established some forty years; has day boarding and kindergarten departments. One hundred and sixty pupils are enrolled.

In Synodical objects, i. e., objects supported by all the Societies of our Synod (Indiana) we come in close touch with the work in Korea, where Christianity is to-day making its most rapid advance. We pay the salary of Miss Snook, at Pyng Yang, whose work as a Bible woman and teacher is under the supervision of Rev. Samuel Moffett, D. D., in whom we have a special inter-

est because of his visits here ; because of the fact that he is a brother of the wife of our Pastor Emeritus; and the hero of the book "The Vanguard."

Another foreign Synodical object is the salary of Mrs. Hugh Taylor, of Lakawn, the capital of Dass—a country tributary to the Kingdom of Siam. We have a particular interest in this work as the Presbyterian Church is the only denomination which has established missions among the Siamese and the people of Laos. Our work has found much favor in the eyes of the King and court and there is almost no limit to the opportunities afforded our missionaries. Our medical work is successful and popular and the government hospital is in charge of our missionaries. The Queen and many government officials have contributed to our work.

The salary of Miss Duncan—an Indian girl—in the Girl's School at Ningpo, China, and traveling expenses and outfits of new missionaries are also Synodical objects.

We contribute \$75 to the salary of \$250 paid by the Presbyterial Society to a Home Missionary teacher among the Mountaineers of the South—Miss Case, at Revere, N. C. We also sent a personal Christmas gift of \$9.10 to Miss Case. She is assisted by the house mother, Miss Deane. Their home is a much needed ob-

ject lesson to the people about them. The girls are taught housekeeping and sewing and the boys wood carving. Mothers classes are conducted; a Sabbath school and evangelistic services held; the sick are cared for and cheer and gladness carried to many poverty-stricken cabin homes on the mountain-sides. This Society contributed twelve aprons to the Christmas box given by all the societies of our Presbytery to this school.

We also make a small contribution to the salaries of the teachers in the Mary Allen school for negro girls in Texas and the Mary Holmes Freedmen school in Mississippi.

Our Synodical *Home* work consists in the support of missionary teachers among the Mormons and caring for a teacher in the Training School at Tucson, Arizona, where Pima and Papago Indian boys and girls are taught to till the soil and the ordinary vocations of life. The boys are much interested in the pumping plant which provides irrigation for the farm. Pima Indians have been reduced to poverty—some of them starvation, because of the lack of water on their reservation.

Among the *Freedmen* our work consists of contributions to the Repairs and Building fund ; to certain Scholarships and the Julia B. Kendall

school at Rumter, S. C., also the Haines Normal school at Augusta, Ga. These schools, like all other Presbyterian Freedmen schools, provide for the industrial training, so necessary for the negro.

We contribute also to the General Funds of our Home, Foreign and Freedmen's Boards and help supply the table of Missionary Literature in the Public Library of our city.

Excellent results of earnest work are indicated by the report of the Secretary of Literature. She has a list of subscriptions to periodicals as follows:—Twenty copies of *Women's Work for Women*, the organ of our Foreign Board; eighteen copies of *The Home Mission Monthly*; twenty copies of *The Assembly Herald*. Five copies of *The Missionary Review*; Prayer Calendars and "*Christus Liberator*."

At the recent meetings the workers have been much encouraged by the presence and aid of a number of the young ladies of the Church.

The year has been marked only by quiet prosecution of regular work. With the exception of \$110.00 turned over to the Missionary Tea fund, our cash contributions were entirely free-will offerings. A box valued at \$50 was sent to a school in Grassy Cove, Tenn. All the materials were purchased new for the purpose. Our gifts aggregate \$885.94.

The labor and the results achieved by the women of the First Church during the past year are full of encouragement and inspiration for the future.

Report of the Missionary Tea.

For the Year Ending April 1st, 1907.

While the name of this branch of our women's work in the Church is difficult to handle in a report, it is so well understood by all our people that no change seems necessary or advisable. Years ago when this Society was first organized it was our custom to meet in the homes of the different members, taking our own lunch and spending practically the entire day. When the work increased and the Society grew in numbers the burden of entertaining so large a gathering forbade the meeting in private houses and the meetings were transferred to the parlors of the Church. The meetings have always been held on the first Friday of the month, commencing with September and closing with March or April, as the necessities of the work demanded. It is still our custom to bring our noon lunch and call the meetings Missionary Teas.

During the past few years we have invited the men of the Church to take their noonday meal with us at the Church and a nominal charge has been made for this dinner. These meals are

provided through subscriptions and contributions by the various members of the Congregation and the amount collected at each of them represents therefore practically clear gain. As the financial report shows, the money thus received is very largely given to the work of the Home and Foreign Missionary Societies. In addition to this during the past year we have sent Christmas gifts to the Miss Case School, at Revere, North Carolina, valued at \$9.10, and a barrel of table linen and bedding valued at \$50.00 was also sent to Miss E. C. McGillivray, of the Grassy Cove Academy in Tennessee. Perhaps the greatest justification of the Missionary Tea Dinners is the evident feeling of friendship which results from this periodical gathering and association of so many of our people. They furnish an unusually pleasant opportunity for the strangers who come amongst us to meet no small proportion of the balance of the Congregation.

MRS. HUGH M. DIEHL,
Treasurer and Director.

Report of the Ladies' Society.

For Year Ending April 1st, 1907.

The Ladies' Society of the First Presbyterian Church, organized for the purpose of promoting greater sociability among the women of the Church, has had an unusually successful year. Eight meetings have have been held in the various homes of the members and two hundred and forty-three ladies attended.

During the past year the chief task has been the refurnishing of the kitchen and the purchase and preparation of linen for the dining room. The Society has also contributed to the Missionary organizations of the women of the Church. The following ladies have entertained the Society during the past year.

April 1906. Mrs. G. L. Greenwalt.

May 1906. Mrs. D. N. Foster.

October 1906. Mrs. J. B. Harper, assisted by Mrs. W. Croxton, Mrs. Charles R. Lane, Mrs. George Ely and Mrs. A. L. Mikesell.

November 1906. Mrs. E. H. McDonald, assisted by Mrs. F. G. Gauntt, Mrs. A. J. Lang, Mrs. C. W. Lowe and Mrs. E. F. Yarnelle.

December 1906. Mrs. P. D. Symser, assisted by Mrs. A. L. Johns, Mrs. Joseph A. Rossell, Mrs. Martha Hanna, and Mrs. A. T. Lukens.

January 1907. Mrs. Henry B. Master, assisted by Mrs. J. W. White, Mrs. Oliver Hanna, Mrs. S. M. Foster and Mrs. James Smith.

February 1907. Mrs. W. D. Page, assisted by Mrs. C. D. Emmons, Mrs. S. S. King, Mrs. C. W. McKee, Mrs. K. C. Sedgwick and Mrs. A. L. Ziegler.

March 1907. Mrs. A. E. Bulson, assisted by Mrs. A. D. Cressler, Mrs. W. H. Shambaugh, Mrs. G. P. Evans and Mrs. J. W. White.

The work of the year has been done most faithfully and while we feel that that we have reason to congratulate ourselves upon what has been accomplished our hope for the future is a still larger attendance at the meetings and therefore greater usefulness in the life of the Church.

MRS. JOHN A. THIEME,
Secretary.

Report of the Men's Club of the First Church.

For the Year Ending April 1st 1907.

The year just closing has been one of marked progress in the history of this organization. The great achievement has been a sensible increase in the feeling of solidarity and unity among the members of the Club. Splendid interest has been maintained in all the meetings as the report of the Secretary indicates. There has been a generous response to every call for personal service and the Club is to be congratulated upon the larger part which so many of its members have taken in all that affects the work and usefulness of the "Old First."

In the earlier part of the year the Religious Work Committee through its Chairman appointed four members of the Club to serve as ushers during each month. This plan worked splendidly but it was felt that even greater helpfulness could be attained if a larger number could be relied upon, and regularly, to attend to this duty. The outcome was a dinner at the home

of Mr. Walter R. Seavey at which twelve men who had already acted as ushers were entertained and it was decided to petition the Club to amend its Constitution so as to provide for a new committee, to be known as the Reception Committee, which should have entire charge of this work in the future. This amendment was adopted by the Club at it's April meeting, and the privilege of welcoming strangers, providing them with seats and Hymnals, and the doing of such other necessary work as suggested by the Chairman is most efficiently cared for. Another service which the Club has rendered the Church is in connection with the Gymnasium. Certain scholars in the Sabbath School were invited to join a class and this class was directed in its work by Mr. Harry C. Offut, to whom both Church and Club are greatly indebted. At the suggestion of one of its members the Club also voted to make the Church a present of twenty-five copies of the Hymnal used in the services, these to be reserved for the use of strangers, and this was done and the books marked with a word of welcome from the Men's Association. In addition to this, one hundred and fifty copies of each weekly Calendar have been sent to the various Hotels in the City every Saturday night with an invitation on behalf of the Men of the Church to attend the the services on the following Sabbath. While

we have always had a goodly number of strangers within our Gates on Sunday it has been the feeling that these invitations have reached a great number of traveling men who would otherwise have gone uninvited.

At the April meeting the recommendation of the Executive Committee that a delegate should be appointed to co-operate with the newly organized Civic Righteousness League was accepted and a delegate appointed. It is a matter for congratulation that one of our own members has been chosen as President of this League.

In this day when everyone is so busy, the Club is profoundly grateful to those gentlemen who have come from near and far, and right often at a great personal inconvenience, to address our members. The best testimony to the character of the speakers provided by the Topic Committee is the very large attendance and the enthusiastic reception accorded those who have thus become the guests and benefactors of our Organization. Too much credit cannot be given likewise to the Social Committee, under the Chairmanship of Mr. Arthur H. Perfect, for the manner in which this branch of the Club's programme has been handled. The pleasant half hours at the close of each monthly lecture have been in no small measure due to the efficient

manner in which a really difficult task has been accomplished.

The Men's Club of the First Church has now passed what may be called the experimental stage. The work which it has already done justifies its right to existence and a place among the activities of our Church. There is a fine opportunity for development and further usefulness before it. Both development and usefulness are bound to follow if we keep steadfastly before us Section 2, of Article 1, of our Constitution: "The object of this organization is to secure the associated services of the men of the First Presbyterian Church and Congregation in *religious*, philanthropic, and social work." The order of the last three adjectives expresses precisely the importance of the different kinds of work.

C. DEMOSS EMMONS,
President.

Report of the Secretary of the Men's Club

For the Year Ending May 3rd, 1907.

The first year of the first Men's Club organized in the Churches of Fort Wayne, the Men's Club of the First Presbyterian Church, has demonstrated not only the popularity but the great usefulness of the organization.

The first meeting contemplating a formation was held in the parlors of the Church on April 9th, 1906, at which time the large number of Church members present decided to organize.

The work of the Club having been divided among sub-committees, the members of which have taken care of their respective departments, the general programme for meetings provided for an address by some person of authority upon the subject treated. There has been just variation enough to hold a deep interest in each meeting.

At the first meeting a number of members responded to toasts. At succeeding meetings the Club was addressed by speakers upon different subjects as follows:

In May, Professor John M. Coulter, of Chicago, University, "Plant Communities."

June, Professor Roland D. Salisbury, of Chicago University, "Volcanoes and Earthquakes."

October, Professor Stanley Coulter, of Purdue, "The Reasons Why I am a Presbyterian."

November, Mr. H. L. Webber, "A Trip Through Mexico."

December, Mr. John Z. White, of Chicago, "Henry George and The Single Tax Theory."

January, Professor C. P. Matthews, of Purdue University, "French Canadian Life and Its Characteristics."

February, an excellent musical programme.

March, Mr. J. J. Wood, "Electricity and Magnetism as applied to Street Car Propulsion."

April, Dr. John B. Watson, of Chicago, "Animal Education."

At the first meeting of the Club the ladies of the congregation furnished the refreshments and at each succeeding meeting a committee was provided to receive the members and guests and to furnish and serve refreshments.
